

Terms for the use of the EFTCO Food Logo

1. The European Federation of Tank Cleaning Associations (EFTCO) permits tank cleaning stations to use the EFTCO Food logo as long as their EFTCO Food Assessment is valid on condition that the tank cleaning station meets the terms and follows the instructions as written below.
2. The EFTCO Food logo will be distributed in digital form (Annex 1.) in color or black & white and may be printed on the ECD only after food cleaning. It will be sent by EFTCO when a copy of these conditions duly signed by the tank cleaning company is received by EFTCO's secretary (secretary@eftco.org), their EFTCO Food assessment together with their SQAS assessment in pdf format is uploaded on the EFTCO website and both are accepted by EFTCO. The EFTCO Food Logo consists of the EFTCO Logo + the text Food Assessed.
3. This authorization is only valid for the site where the EFTCO food assessment has been done for the period that the EFTCO Food assessment is valid. When a company has more tank cleaning stations, each individual tank cleaning station must have done the EFTCO food assessment before it is allowed to use the EFTCO Food Logo.
4. The tank cleaning company is not allowed to use the logo as compliance to legal requirements.
5. The EFTCO Food Logo is not a quality document any longer, the logo proves that the tank cleaning company has been assessed according to the EFTCO Food Questionnaire which can be found in the download area of www.eftco.org. The completed report of the assessment can be consulted online by third parties having access to the secured part of the EFTCO website and after they were granted for access by the tank cleaning station. A username and password for access to the secured part can be requested online on www.EFTCO.org.
6. The logo can be placed by any means (printed, preprinted) on the ECD issued by the Tank cleaning station or on other correspondence of the company.
7. The tank cleaning company agrees that in case of illicit use of the EFTCO Food logo, EFTCO will claim as indemnification 1.000,- € per proven case from the company apart from possible legal action.
8. The tank cleaning company shall keep harmless of EFTCO in case of any claim in connection with the misuse of the EFTCO logo to a third party because of the negligence of the tank cleaning station.
